Description of our Company	:	<p>Bangladesh Building Systems Ltd. has started its journey from 17 July 2003 at Jaina Bazar, Telehate, Sreepur, Gazipur in response to the increasing demand for quality Pre-Engineered Steel Building especially in the industrial sector in Bangladesh. BBSL is designing Pre-Engineered Steel Building using a pre-determined inventory of raw materials and manufacturing methods that can efficiently satisfy a wide range of structural and aesthetic design requirements. Within some geographic industry sectors these buildings are also called Pre-Fabricated Steel Buildings.</p> <p>Bangladesh Building Systems Ltd. started its operation with a very small scale of production but due to lucrative design, lower cost, better quality, quick & timely delivery the Company earned goodwill within very short time to the engineering industrial sector in Bangladesh. Now, Bangladesh Building Systems Ltd. is the benchmark for other Pre-engineered Steel Building Manufacturers of Bangladesh.</p> <p>On 30 October, 2010 the Company registered itself as a Public Limited Company under the Companies Act.,1994. The Company is listed with both Dhaka Stock Exchange Limited(DSE) and Chittagong Exchange Limited (CSE) at 03 October, 2013 and 30 September, 2013 respectively and trading of the share of the Company has been started from 08 October, 2013. On 29 May,2014 BBSL got membership from Bangladesh Association of Publicly Listed Companies (BAPLC). Also the Company listed as a member of Steel Building Manufacturing Association of Bangladesh(SBMAB).</p>
