Description of our Company

MARN Steel Structure Limited (MSSL) is one of the pioneers Pre-engineered Steel Building Manufacturing Company in Bangladesh. It was established in 2013. During last 7 years of operation, it has successfully designed fabricated and large number of steel buildings. It is fully equipped with modern machineries and equipment; the fabrication of steel structures is in line with international design codes. MSSL, buildings are designed in compliance with the latest design and building codes (IBC, AISC, AWS, MBMA, BNBC, UBC). With Operations encompassing Design, fabrication & engineering, MARN Steel Structure Ltd. (MSSL) specializes in assembly, service & commitment of pre-engineered steel buildings (PEBs) for Industrial, Commercial, Agro based structure, Residential & others. MSSL, fabrication is heightened to a capacity of more than 18,000 metric tons of complete pre-engineered buildings annually that enables MSSL to deliver its client's requirements within a stipulated timeframe. MSSL has a clientele base that includes nearly all large corporate in Bangladesh- ACI, Square, SMC, Transcom, Bashundhara, Dekko, Epyllion, MAX, Ha-Meem Group, DBL, RAK, Union Group, Rupa Group, KDS Group, BSRM, SSRM, Nipa Group, Sun Pharma, BATA, Palmal Group, TNZ Group, Debonair Group etc. MSSL is an ISO 9001:2015 certified company.
