Description of our Company	:	Environmental Protection Engineering & Consultants Ltd is a total compliance company. When we say total compliance, we mean just that. It's not a catch-phrase; it's a commitment - from our company to you. We know that equipment is useless without the people and experience to operate it for maximum effectiveness and efficiency.

	<p>Combining the three and we have a very capable company at your disposal.</p> <p>EPEC Ltd, a contracting and construction management firm located at House-77, Road -13, Sector-10, Uttara, Dhaka, Bangladesh, was founded in 2007. We offer personalized, professional service in a cost-effective way and time-bounded output without sacrificing quality. In today's competitive market, repeat customers make up 90% of our clientele, returning to us for their construction needs from renovations to "ground-up" buildings. Our commitment to executive involvement with client satisfaction with a no-nonsense, focused approach is key to the success of our projects.</p> <p>EPEC Ltd, on its expertise in difficult construction environments. For example, Panbo-Bangla Mushroom Ltd (a Dutch & Bangladesh Joint venture project) located at Valuka, Mymensingh whether your undertaking involves special hiring needs, security concerns, or cleanliness matters, and our experience on high profile projects enables us to tackle distinct and unusual assignments.</p> <p>EPEC Ltd, sense involves offering a diverse workforce of skilled and dedicated professionals possessing broad experience as a testament to our commitment to the community. The solid relationships we have with local authorities and construction-industry businesses pave the way for a problem-free process.</p> <p>EPEC Ltd is involved in the manufacturing of the Pre-Engineered Steel Building (PEB) in Bangladesh. Its Factory is located at Dhaka Tangail highway to provide the best engineering solutions to the customers.</p>
<p>Biography of Key Person</p>	<p>:</p> <div data-bbox="603 1305 842 1563" data-label="Image"> </div> <p>Managing Director Engr. S. M. Shahjaman Shameem</p> <p>Engr. Mr. S. M. Shahjaman Shameem is a Civil Engineer and a renowned entrepreneur in the Pre-Engineered Steel Building Industry, Construction Industry, and Real estate industry. He has almost 25 years of experience in project planning & development, especially in the field of Industrial Building and high-rise residential and commercial projects.
